To Whom It May Concern,

LETTER OF APPRECIATION

Over the years, TOP-MECH has supplied more than 10 units of Overhead Cranes for our Steel Plant in Klang.

We have found them to be a company which emphasizes on product quality as well as after sales services.

The cranes supplied by TOP-MECH have been reliable and rather durable.

They have also been responding very promptly to our service calls.

We highly appreciate the level of services provided by them and will certainly recommend them especially for crane users in the steel industry.

Thank you.

Yours truly,

Dato' Soh Tian Lai
