Respected Sir,

We would pleasantly like to convey in granting that we have been a representative of TOP-MECH for more than past Ten (10) years.

During this long decade, we have purchased more than 20 units of Overhead Cranes from TOP-MECH, ranging up to 80 Tonne capacity and 40m Span and supplied them to our clients.

Feedback from our clients in Pakistan indicates that they are completely satisfied with the performance and longevity of TOP-MECH's cranes, and most important of all, with the high level of After Sales Services provided by their Service Department.

We will not hesitate to recommend TOP-MECH's cranes to any of their future customers and if they maintain the current level of quality and services, we will positively continue to represent TOP-MECH's cranes in our country as outstanding cranes supplier.

Thank you very much for your support and coordination.
