Dear Sir,

**RE: 50TONNE X 40M SPAN GANTRY CRANE**

We would like to take this opportunity to convey our appreciation to Top-Mech for the performance of your 50Tonne x 40m Span Gantry Crane at our Spiral Welded Steel Pipe Factory at Port Klang.

The feedback from our operators and maintenance team is that this crane has been so far very reliable. Our maintenance log book has also shown that this crane has a rather clean track record after being subjected to heavy cycles of lifting and handling heavy hot rolled steel coils!

Congratulations and please keep this up!

Thank you.

Yours truly,
